Station	Electronic Evidence Unit	Position	Investigative Computer Analyst		
Address	200 Roma Street, Brisbane QLD 4000	Region	Operations Support Command		

Queensland Police Service (QPS) Acknowledgement

The QPS acknowledges that in giving this evidence in the prosecution of Donald Day Jr in the Federal District Court in Arizona, USA, Julian Karpriel may be compelled by the Court to answer questions which may disclose protected methodologies or identities. The QPS is aware of, and have assessed the risk, prior to providing this acknowledgment.

The QPS Legal Services will make all reasonable attempts to continue to liaise with the United States prosecution team in advance of the trial in an effort to minimise such sensitive evidence being publicly aired (for example, through the process of the prosecution objecting to questions on the basis of relevance/irrelevance).

Julian Karpriel states:

1. I am an Investigative Computer Analyst attached to the Electronic Evidence Unit (EEU), Operations Support Command, Queensland Police Service (QPS).
2. I am the holder of a Graduate Certificate in Information Technology from the Queensland University of Technology and Bachelor's degrees in Commerce and Arts from the University of Queensland. I am a Certified Forensic Computer Examiner (CFCE) and a member of the International Association of Computer Investigative Specialists (IACIS). I am a Magnet Certified Forensic Examiner (MCFE) and have completed courses in the use of Cellebrite and X-Ways forensic software. I have been performing forensic examinations at the EEU since October 2012.

3. I have been employed by the QPS since 2005, and have been in my current position for 12 years.
4. My duties include the digital forensic analysis of computers and related systems for electronic evidence in support of investigations for the QPS.
5. On the 12th of December 2022, Operation Uniform Cavan was commenced into the investigation of the murder of two Queensland Police Officers (Constable Rachel McCrow and Constable Matthew Arnold), civilian Alan Dare and three deaths in a police operation (Nathaniel, Gareth and Stacey Train) at Wicambilla, Queensland, Australia. There remains an ongoing coronial investigation in Queensland, Australia.
6. On the 20th of December 2022, I commenced examination of EEU job number FR2175210, QPRIME occurrence QP2202133742. This job was in relation to Operation Uniform Cavan. The job referred to a request from the Security Operations Unit (SOU) for cloud download of the email account "train@bigpond.com" using the provided login credentials.
7. On this date, I used Oxygen Forensic Cloud Extractor version 9.0.0.59 to download the contents of the email account "train@bigpond.com". The resulting extraction was saved as an Oxygen cloud backup (.ocb format). I assigned forensic barcode number 1095053255 to this cloud extraction.
8. On the 21st of December 2022, I used Oxygen Forensic Detective version 15.1.0.69 to convert the OCB file to an Oxygen backup (.ofbx format) to make it compatible for viewing with the Oxygen Viewer program.
9. On the 22nd of December 2022, I uploaded the OFBX file to the Investigation and Review of Electronic-Evidence System (IRES) to make it available for viewing by SOU investigators.
